**MOTION FOR AN EXTENSION OF TIME TO FILE THE AGENCY'S
RECOMMENDATION**

The Illinois Environmental Protection Agency ("Illinois EPA" or "Agency"), by and through its attorney, hereby submits its Motion for an Extension of Time to file the Agency's Recommendation with respect to the Variance Petition filed by the Petitioner. In support thereof, the Illinois EPA states as follows:

1. On July 21, 2015, the Petitioner filed its Variance Petition from the dissolved oxygen water quality standards recently adopted in R08-09.
2. Pursuant to the hearing officer Order issued on August 6, 2015, the Agency was to file its recommendation with respect to the variance petition on September 4, 2015.
3. On August 17, 2015, the Agency filed an extension of time to file its recommendation, therefore, making its recommendation due on September 4, 2015.
4. The Board granted the Agency until November 3, 2015 to file its recommendation.

5. Illinois EPA is still reviewing the variance petition and is in continuous discussions with the Petitioner and USEPA. Illinois EPA would like to complete those discussions before filing a recommendation in this matter.

6. The Agency has reached out to the Petitioner and they have advised Illinois EPA that they have no objection to the requested extension of time to file the Agency's recommendation.

7. The requested extension should not prejudice or harm any interested party.

8. If an additional waiver is needed, so that the Motion for Extension of Time can be granted, the Petitioner has indicated they would be willing to do so.

9. Therefore, the Agency is asking that it's Motion for Extension Time be granted until March 1, 2016.

WHEREFORE, the Illinois EPA respectfully requests the Illinois Pollution Control Board grant its Motion for an Extension of Time to file the Agency's recommendation and grant the Agency until March 1, 2016 to file its recommendation with the Board.

Respectfully submitted,
