HEARING OFFICER ORDER

On November 19, 2015, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that a supplemental environmental project (SEP) is still being reviewed by the Illinois Environmental Protection Agency. If the SEP is approved, it will be incorporated into the stipulation and proposal for settlement (stipulation).

To that end, it was agreed that respondent's answer or other pleading is now due to be filed on or before February 26, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 28, 2016, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
