# Letter from the Chairman

Greetings,

In October, the Board took several actions that generated public interest and comment.

On October 1, 2015, the Board finalized rules that will significantly reduce emissions of sulfur dioxide (SO<sub>2</sub>), carbon dioxide (CO<sub>2</sub>), and other pollutants. The reductions ensure that all areas of the State of Illinois will be in compliance with current Federal rules regarding SO<sub>2</sub> concentrations. In particular, the Board's action will require power plants owned by NRG Energy and Dynegy to cut pollution levels and will prohibit burning coal at four units in the Joliet and Lockport areas. (Amendments To 35 Ill. Adm. Code Part 214, Sulfur Limitations, Part 217, Nitrogen Oxides Emissions, and Part 225, Control of Emissions from Large Combustion Sources, R15-21).

On October 15, 2015, the Board proposed amendments to the Board's public water supply rules for first-notice publication in the *Illinois Register*. The rulemaking, initiated by the Illinois Environmental Protection Agency (IEPA), is docketed as Public Water Supplies: Proposed Amendments to 35 Ill. Adm. Code Parts 601, 602, and 603 (R15-22). The proposed amendments are intended to update Parts 601 through 603; consolidate the community water supply permitting rules in Parts 652 and 602; and amend Part 603 to be consistent with recent amendments to the Public Water Supply Operations (PWSO) Act, 415 ILCS 45 (2014). IEPA proposed the amendments to streamline the permitting rules and incorporate terminology from the amended PWSO Act and to add provisions for incorporation by reference of various national water standards. The Board's first-notice proposal largely adopts IEPA's proposed amendments.

Also on October 15, 2015, the Board proposed for second-notice review by the Joint Committee on Administrative Rules amendments to a site-specific noise rule. (Proposal of Clifford-Jacobs Forging Co. for an Amendment to the Site-Specific Rule at 35 Ill. Adm. Code 901.119, R14-22). The proposed amendments would extend the allowable operational levels for Clifford-Jacobs Forging Company's impact forging facility located in unincorporated Champaign County. The facility currently is allowed to operate up to all 14 of its forging hammers at any one time from 6 a.m. to 11 p.m., Monday through Saturday. Clifford-Jacobs' proposed amendments would allow the facility to operate up to 14 hammers at any one time 24 hours a day, Monday through Saturday. At first notice, the Board adopted this proposal, but added a requirement that Clifford-Jacobs limit its forging operations as necessary to not exceed 65 decibels (db) (A-weighted Leq) from 11 p.m. to 6 a.m. The Board further proposed that Clifford-Jacobs be required to investigate new technologies, sound abatement measures and operational changes to mitigate sound emissions from its forging operations, and to submit to the Board every ten years a report on the company's findings.

Information on these rulemakings, other rulemakings, and contested cases before the Board is available on [www.ipcb.state.il.us](http://www.ipcb.state.il.us).

Sincerely,

A handwritten signature in black ink, appearing to read "Gerald M. Keenan". The signature is written in a cursive style with a long horizontal line extending to the right.

Gerald M. Keenan  
Chairman

### Rulemaking Update

---

#### Board Proposes Second-Notice Amendments to Cut Pollutant Emissions, R15-21

On October 1, 2015, the Board proposed rule amendments for second notice that will significantly reduce emissions of sulfur dioxide (SO<sub>2</sub>), carbon dioxide (CO<sub>2</sub>), and other pollutants. The emissions reductions are designed primarily to ensure that all areas of the State comply with federal standards for concentrations of SO<sub>2</sub> in the ambient air. The proposed amendments will, among other things, prohibit burning coal at four electric-generating units in the Joliet and Lockport areas. The Board's order sends the amendments to the Joint Committee on Administrative Rules (JCAR) for review. The rulemaking is captioned Amendments to 35 Ill. Adm. Code Part 214, Sulfur Limitations, Part 217, Nitrogen Oxides Emissions, and Part 225, Control of Emissions from Large Combustion Sources, docket R15-21.

In its second-notice order, the Board adopted, with modifications, the rule amendments proposed by the Illinois Environmental Protection Agency (IEPA) to meet Illinois' obligations under the federal Clean Air Act. The most significant emissions reductions will take place in the two areas of the State found to be out of compliance with the National Ambient Air Quality Standards (NAAQS) for SO<sub>2</sub>: the Lemont nonattainment area (townships in Cook and Will Counties); and the Pekin nonattainment area (townships in Tazewell and Peoria Counties). IEPA's detailed modeling indicates that the proposed rules will result in attainment of the SO<sub>2</sub> NAAQS. In addition, the rule changes will aid the State's efforts to address regional haze, greenhouse gases, and the interstate transport of airborne pollution.

Under the proposed amendments, four of Midwest Generation's coal-fired units (Joliet 6, 7, & 8; Will County 3) must convert to a fuel other than coal, such as natural gas. This step will reduce SO<sub>2</sub> emissions by 6,000 tons more in 2017—and by over 4,500 tons more annually beginning in 2019—than would occur under the current rules, *i.e.*, the Combined Pollutant Standard (CPS) absent these amendments. Further, each year, emissions of CO<sub>2</sub>, identified as a primary contributor to global climate change, will fall by 7.5 million tons; nitrogen oxides (NO<sub>x</sub>) by 3,000 tons; particulate matter by 1,900 tons; and mercury by 400 pounds. Additionally, SO<sub>2</sub> emission limits will be imposed upon eight stationary sources; they may comply by installing pollution control equipment, switching fuels, or making operational changes. The proposed rules will also reduce pollutant emissions from commercial and industrial facilities burning diesel fuel by establishing strict limits on the sulfur content of the liquid fuels that they use. Once the Board adopts final rules, IEPA will submit the amendments to the United States Environmental Protection Agency as revisions to Illinois' State Implementation Plan (SIP).

**Opinions and orders of the Board, hearing transcripts, and other documents in rulemaking records are posted on the Board's website ([www.ipcb.state.il.us](http://www.ipcb.state.il.us)) and may be downloaded without charge. Hard copies may be obtained from the Clerk's Office (Pollution Control Board, James R. Thompson Center, 100 W. Randolph Street, Suite 11-500, Chicago, IL 60601) upon payment of reproduction fees as prescribed by the Freedom of Information Act.**

### **Board Proposes Second-Notice Amendments to Site-Specific Noise Rule for Forging Operation in Champaign County, R14-22**

The Board, on October 15, 2015, proposed amendments to a site-specific noise rule for second-notice review by JCAR. The amendments will extend the allowable operational levels for Clifford-Jacobs Forging Company's impact forging facility, which is located in unincorporated Champaign County. The rulemaking is captioned Proposal of Clifford-Jacobs Forging Co. for an Amendment to the Site-Specific Rule at 35 Ill. Adm. Code 901.119, docket R14-22.

The facility is currently allowed to operate up to all 14 of its forging hammers at any one time from 6:00 a.m. to 11:00 p.m., Monday through Saturday. The proposed amendments will allow the facility to operate up to 14 hammers at any one time 24 hours a day, Monday through Saturday. However, Clifford-Jacobs must limit its forging operations as necessary so as not to emit sound exceeding 65 decibels (db) (A-weighted Leq) from 11:00 p.m. to 6:00 a.m. The Board further proposed that Clifford-Jacobs be required to investigate new technologies, sound abatement measures, and operational changes that would mitigate sound emissions from its forging operations, and to submit a report on the company's findings to the Board every ten years.

The Board accepted public comments on the first-notice proposal through June 30, 2015. The Board received a handful of comments, including one signed by 26 area residents. At the Board's direction, Clifford-Jacobs filed a comment responding to both the residents' comments and the Board's questions based upon them. At second notice, the Board did not substantively modify the first-notice amendments.

**Opinions and orders of the Board, hearing transcripts, and other documents in rulemaking records are posted on the Board's website ([www.ipcb.state.il.us](http://www.ipcb.state.il.us)) and may be downloaded without charge. Hard copies may be obtained from the Clerk's Office (Pollution Control Board, James R. Thompson Center, 100 W. Randolph Street, Suite 11-500, Chicago, IL 60601) upon payment of reproduction fees as prescribed by the Freedom of Information Act.**

### **Board Proposes First-Notice Amendments to Public Water Supply Rules, R15-22**

On October 15, 2015, the Board proposed amendments to its public water supply rules for first-notice publication in the *Illinois Register*. The amendments will (1) update Parts 601 through 603; (2) consolidate permitting requirements into Part 602; and (3) amend Part 603 to be consistent with recent amendments to the Public Water Supply Operations (PWSO) Act, 415 ILCS 45. IEPA proposed the amendments to streamline the permitting rules and add terminology from the amended PWSO Act, as well as to incorporate various national water standards by reference. The Board's first-notice proposal largely adopted IEPA's proposed amendments. The rulemaking is captioned Public Water Supplies: Proposed Amendments to 35 Ill. Adm. Code Parts 601, 602, and 603, docket R15-22.

Publication of the first-notice amendments in the *Illinois Register* will begin a public comment period of at least 45 days, during which anyone may file a public comment with the Board. Public comments should identify this docket number, R15-22, and must be filed with the Clerk of the Board. Public comments may be filed at the following address:

Pollution Control Board  
James R. Thompson Center  
100 W. Randolph Street, Suite 11-500  
Chicago, IL 60601

Alternatively, public comments may be filed electronically through the Clerk's Office On-Line (COOL) at [www.ipcb.state.il.us](http://www.ipcb.state.il.us). Any questions about electronic filing through COOL should be directed to the Clerk's Office at (312) 814-3629.

**Opinions and orders of the Board, hearing transcripts, and other documents in rulemaking records are posted on the Board's website ([www.ipcb.state.il.us](http://www.ipcb.state.il.us)) and may be downloaded without charge. Hard copies may be obtained from the Clerk's Office (Pollution Control Board, James R. Thompson Center, 100 W. Randolph Street, Suite 11-500, Chicago, IL 60601) upon payment of reproduction fees as prescribed by the Freedom of Information Act.**

## Rulemakings

**R15-21**      In the Matter of: Amendments to 35 Ill. Adm. Code Part 214, Sulfur Limitations, Part 217, Nitrogen Oxides Emissions, and Part 225, Control of Emissions from Large Combustion Sources (Air) – The Board adopted a second notice opinion and order in this rulemaking to amend the Board’s air pollution regulations.      4-1  
Glosser dissented

## Administrative Citations

**AC 12-21**      IEPA v. Katherine Blunk      5-0  
(Land) – The Board granted complainant’s motion for reconsideration and modified the terms of the payment schedule to be consistent with the terms of the Stipulation agreed to by the parties.

## Adjudicatory Cases

**PCB 15-60**      Clinton Landfill, Inc. v. IEPA      5-0  
**PCB 15-76**      (Land - Permit Appeal) – The Board granted the parties’ joint motions to stay these consolidated permit appeals until October 31, 2015.  
**PCB 15-111**  
**PCB 15-113**  
**PCB 15-166**  
**PCB 15-194**  
**PCB 15-195**  
**PCB 15-207**  
**PCB 16-34**  
(cons.)

**PCB 15-71**      Hamilton & Grove Properties, Inc. v. IEPA      5-0  
(Land – Permit Appeal, Cost Recovery) – The Board granted petitioner’s motion for voluntary dismissal of this permit appeal.

**PCB 15-153**      NACME Steel Processing, LLC v. IEPA      5-0  
(Air – Permit Appeal, CAAPP) – The Board denied respondent’s motion for summary judgment.

<b>PCB 15-202</b>	<u>IPH, LLC and Illinois Power Resources Generating, LLC (E.D. Edwards Power Plant) v. IEPA</u> (Water – Permit Appeal, NPDES) – The Board granted petitioner’s motion for voluntary dismissal of this permit appeal.	5-0
<b>PCB 15-205</b>	<u>Century Environmental Resources, Inc. v. IEPA</u> (RCRA Permit Appeal) – Having previously granted a request for a 90-day extension, the Board dismissed this matter because no permit appeal was filed on behalf of this Cook County facility.	5-0
<b>PCB 16-37</b>	<u>James Potts v. IEPA</u> (Public Water Supply – Other) – The Board accepted for hearing this appeal of petitioner’s Class A Water Supply Operator’s Certification.	5-0
<b>PCB 16-45</b>	<u>Electric Energy, Inc. (Joppa Energy Center) V. IEPA</u> (Water – Permit Appeal, NPDES) – The Board granted petitioners’ motion for a stay of petitioner’s renewed NPDES permit in its entirety.	5-0
<b>PCB 16-47</b>	<u>Lean Pork Producers, LLC - Stronghurst v. IEPA (Property ID No. 08-012-008-00)</u> (Water – Tax Certification) – The Board found and certified that specified facilities of Lean Pork Producers, LLC located in Henderson County are pollution control facilities for the purpose of preferential tax treatment under the Property Tax Code (35 ILCS 200/11-10 (2014)).	5-0
<b>PCB 16-48</b>	<u>Lean Pork Producers, LLC - Stronghurst v. IEPA (Property ID No. 08-003-004-00)</u> (Water – Tax Certification) – The Board found and certified that specified facilities of Lean Pork Producers, LLC located in Henderson County are pollution control facilities for the purpose of preferential tax treatment under the Property Tax Code (35 ILCS 200/11-10 (2014)).	5-0
<b>PCB 16-52</b>	<u>Robert Villanueva v. IEPA</u> (UST Appeal, 90-Day Extension) – The Board granted this request for a 90-day extension of time to file an underground storage tank appeal on behalf of this Jackson County facility.	5-0
<b>PCB 16-53</b>	<u>Rabi Management, Inc. v. IEPA</u> (UST Appeal, 90-Day Extension) – The Board granted this request for a 90-day extension of time to file an underground storage tank appeal on behalf of this Cook County facility.	5-0

**Springfield and Chicago, Illinois**

**Rulemakings**

- R14-10**      In the Matter of: Coal Combustion Waste (CCW) Ash Ponds and Surface Impoundments at Power Generating Facilities: Proposed New 35 Ill. Adm. Code 841  
(Water) – Member O’Leary reported numerous responses to the September 15, 2015 motion to re-open this proceeding and an October 9, 2015 reply from the Environmental Groups. He indicated that a draft order would be prepared and circulated for consideration at the next Board meeting. The Board took no action on this matter.
- R14-22**      Proposal of Clifford-Jacobs Forging Co. for an Amendment to the Site-Specific Rule at 35 Ill. Adm. Code 901.119      5-0  
(Noise) – The Board adopted a second notice opinion and order in this site-specific rulemaking to amend the Board’s noise regulations.
- R15-22**      In The Matter Of: Public Water Supplies: Proposed Amendments To 35 Ill. Adm. Code Parts 601, 602, And 603      5-0  
(Public Water Supply) – The Board adopted a first notice opinion and order in this rulemaking to amend the Board’s public water supply regulations.
- R15-23**      In the Matter of: Amendments to Primary Drinking Water Standards: 35 Ill. Adm. Code 611  
(Public Water Supply) – Member Glosser reported that the Joint Committee on Administrative Rules considered this rulemaking on Tuesday, October 13, 2015. A draft final order is in preparation for consideration at the November 5, 2015 meeting. The Board took no action on this matter.

**Adjudicatory Cases**

- PCB 06-59**      Midwest Generation, LLC Powerton Generating Station v. IEPA      5-0  
(Air – Permit Appeal, CAAPP)  
– The Board granted the parties’ joint motion to lift the stay of the uncontested conditions and remand the permit to the IEPA.
- PCB 10-20**      People of the State of Illinois v. Montalbano Builders, Inc., MBC XIV, LLC, RB Resolutions Properties, LLC, and Douglas J. Johnson      5-0  
(Water – Enforcement) – In this water enforcement action concerning a DeKalb County facility, the Board granted relief

from the hearing requirement of Section 31(c)(1) of the Environmental Protection Act (415 ILCS 5/31(c)(1) (2012)), as to Cortland I-88 only, accepted a stipulation and settlement agreement, and ordered Cortland I-88 to cease and desist from further violations. Cortland I-88, under the stipulation and proposal for settlement, must establish and certify that it has established ground cover at the Mission Oaks site.

- PCB 10-86**      People of the State of Illinois v. Illinois Fuel Company, LLC  
(Water – Enforcement, NPDES) – Member O’Leary indicated that the Board was preparing a draft order, which is expected to be circulated for consideration at the Board meeting on November 5, 2015. The Board took no action on this matter.
- PCB 11-24**      People of the State of Illinois v. U. S. Chrome Corporation of Illinois, Inc.      5-0  
(Air – Enforcement) – Upon receipt of a proposed stipulation and settlement agreement and an agreed motion to request relief from the hearing requirement in this air enforcement action involving a Boone County facility, the Board ordered publication of the required newspaper notice.
- PCB 12-23**      Beneficial Reuse Management, LLC and Southern Illinois Power Cooperative v. IEPA      5-0  
(Water - Permit Appeal) – The Board granted petitioner’s motion for voluntary dismissal of this permit appeal.
- PCB 15-186**      Sharon Burgess v. IEPA      5-0  
(UST Appeal) – Member Glosser indicated that in order to meet the November 5, 2015 deadline this case must be acted upon at the November 5, 2015 meeting, and that a draft opinion and order would be circulated on Friday, October 16, 2015 for consideration at the November meeting. The Board took no action on this matter.
- PCB 16-39**      People of the State of Illinois v. Village of Percy      5-0  
(Public Water Supply – Enforcement) – In this public water supply enforcement action concerning a Randolph County facility, the Board granted relief from the hearing requirement of Section 31(c)(1) of the Environmental Protection Act (415 ILCS 5/31(c)(1) (2014)), accepted a stipulation and settlement agreement, and ordered respondent to pay a \$2,380 civil penalty and to cease and desist from further violations.
- PCB 16-42**      People of the State of Illinois v. Hueber, LLC      5-0  
(Air – Enforcement) – In this air enforcement action concerning a

Ogle County facility, the Board granted relief from the hearing requirement of Section 31(c)(1) of the Environmental Protection Act (415 ILCS 5/31(c)(1) (2014)), accepted a stipulation and settlement agreement, and ordered respondent to pay a \$3,100 civil penalty and to cease and desist from further violations.

- PCB 16-49**      Dan Carroll v. IEPA      5-0  
(Water – Tax Certification) – The Board found and certified that specified facilities of Dan Carroll located in Hancock County are pollution control facilities for the purpose of preferential tax treatment under the Property Tax Code (35 ILCS 200/11-10 (2014)).
- PCB 16-50**      George A. Chandler v. IEPA (Property ID No. 05-022-002-01)      5-0  
(Water – Tax Certification) – The Board found and certified that specified facilities of George A. Chandler located in Henderson County are pollution control facilities for the purpose of preferential tax treatment under the Property Tax Code (35 ILCS 200/11-10 (2014)).
- PCB 16-51**      Mark E. Chandler v. IEPA (Property ID No. 05-022-002-02)      5-0  
(Water – Tax Certification) – The Board found and certified that specified facilities of Mark E. Chandler located in Henderson County are pollution control facilities for the purpose of preferential tax treatment under the Property Tax Code (35 ILCS 200/11-10 (2014)).
- PCB 16-54**      Will County, Illinois v. Village of Rockdale, Board of Trustees of Village of Rockdale and Environmental Recycling and Disposal Services, Inc.      5-0  
(Pollution Control Facility Siting Review) – The Board accepted for hearing this third party pollution control facility siting appeal involving a Will County facility.
- PCB 16-56**      Waste Management of Illinois, Inc. v. Village of Rockdale, Illinois Board of Trustees and Environmental Recycling and Disposal Services, Inc.      5-0  
(Pollution Control Facility Siting Review) – The Board accepted for hearing this third party pollution control facility siting appeal involving a Will County facility.

## New Cases

---

### October 1, 2015 Board Meeting

**PCB 16-49** Dan Carroll v. IEPA  
(Water – Tax Certification) – No action taken.

**PCB 16-50** George A. Chandler v. IEPA  
(Water – Tax Certification) – No action taken.

**PCB 16-51** Mark E. Chandler v. IEPA  
(Water – Tax Certification) – No action taken.

**PCB 16-52** Robert Villanueva v. IEPA  
(UST Appeal, 90-Day Extension) – The Board granted this request for a 90-day extension of time to file an underground storage tank appeal on behalf of this Jackson County facility.

**PCB 16-53** Rabi Management, Inc. v. IEPA  
(UST Appeal, 90-Day Extension) – The Board granted this request for a 90-day extension of time to file an underground storage tank appeal on behalf of this Cook County facility.

### **October 15, 2015 Board Meeting**

**AC 16-2** IEPA v. Dan Pitney  
(Land) – No action taken.

**AC 16-3** County of Jackson v. Lorie Bryant  
(Land) – No action taken.

**AC 16-4** County of Perry v. Gere Properties, Inc., Perry Ridge Landfill, Inc., Joe Bartle and Kevin Coughlin  
(Land) – No action taken.

**PCB 16-54** Will County, Illinois v. Village of Rockdale, Board of Trustees of Village of Rockdale and Environmental Recycling and Disposal Services, Inc.  
(Pollution Control Facility Siting Review) – The Board accepted for hearing this third party pollution control facility siting appeal involving a Will County facility.

**PCB 16-55** David C. Miller, Mark G. Miller, Lisa E. Miller, Michelle A Page, Anthony L. Page, Richard A. Kinter, Stacy L. Kinter, Walter G. Fleser, and Tammy Johnson v. Sugar Camp Energy, LLC  
(Noise – Enforcement, Citizen) – No action taken.

**PCB 16-56** Waste Management of Illinois, Inc. v. Village of Rockdale, Illinois Board of Trustees and Environmental Recycling and Disposal Services, Inc.  
(Pollution Control Facility Siting Review) – The Board accepted for hearing this third party pollution control facility siting appeal involving a Will County facility.

The Illinois Pollution Control Board is an independent five-member board that adopts environmental control standards, rules on enforcement actions, and other environmental disputes for the State of Illinois.

The *Environmental Register* is published monthly by the Board, and contains updates on rulemakings, descriptions of final decisions, the Board's hearing calendar, and other environmental law information.
