HEARING OFFICER ORDER

On December 16, 2015, all parties participated in a telephonic status conference with the hearing officer. Respondent stated that the petitioner forwarded some additional information which is under review.

Respondent's motion for an extension of time to file its recommendation, filed December 3, 2015, was also discussed. In the motion, the respondent stated that it would like to complete the review of the additional information and any further discussions prior to filing its recommendation. Petitioner has no objection. To that end, respondent's motion is granted and its recommendation must be filed on or before March 1, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 28, 2016, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
