HEARING OFFICER ORDER

On January 6, 2016, the parties participated in a telephone status conference with the hearing officer. Within the next 30 days, respondent plans to send petitioner a letter responding to the substantive issues of this appeal, and a potential timeframe for resolution. Upon receipt of the letter, petitioner plans to file a motion to consolidate this docket with the related pending appeal, along with a motion to stay for one year. Respondent does not object, and does not plan to file a response. The attorney who appeared on behalf of respondent further reported that no SAAG appointments have been issued for the appeal.

If the motions are not filed within the next 60 days, the hearing officer will contact the petitioner.

Petitioner filed an open waiver of the decision deadline.

IT IS SO ORDERED.
