ORDER OF THE BOARD (by G.M. Keenan):

On November 4, 2014, Ameren Missouri and Goose Creek Energy Center (collectively, Ameren) timely petitioned the Board to review an October 16, 2014 determination of the Illinois Environmental Protection Agency. *See* 415 ILCS 5/40.2(a); 35 Ill. Adm. Code 101.300(b), 105.302(e). The Agency issued a Clean Air Act Permit Program (CAAPP) permit to Ameren's electric generating station located at 760 East 2150 North Road, Monticello, Piatt County.

On January 22, 2016, Ameren moved for voluntary dismissal (Mot.), stating that the parties have resolved the issues raised in this appeal and that the Agency has issued a revised permit. Mot. at 1. Ameren requests that the Board dismiss this matter and states that the Agency does not object. *Id.*

The Board grants Ameren's motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on February 4, 2016, by a vote of 5-0.
