HEARING OFFICER ORDER

On February 11, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that technical personnel from the Illinois Environmental Protection Agency (Agency) has reviewed the petitioner's settlement proposal and that the legal unit is now reviewing it. The parties are hopeful that the Agency's review of the proposal will be completed by the next status conference. To that end, the records in PCB 16-32 and PCB 16-46 are due to be filed on or before March 10, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 25, 2016, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
