HEARING OFFICER ORDER

 ORIGINAL

On February 18, 2016, all parties participated in a telephonic status conference with the hearing officer. The Illinois Environmental Protection Agency has recently reviewed the stipulation and proposal for settlement (stipulation) and has commented on the stipulation. The complainant stated that it will now have a discussion with the respondent regarding the comments.

By agreement, respondent's answer or other responsive pleading is now due to be filed on or before April 15, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 24, 2016, at 9:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
