JOINT RESPONSE TO BOARD QUESTION

Pursuant to the Hearing Officer Order dated February 22, 2016, Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY, by Lisa Madigan, Attorney General of the State of Illinois, and Petitioner, SOUTHERN ILLINOIS POWER COOPERATIVE, by and through its attorneys, hereby submit the following joint response to the Illinois Pollution Control Board's ("Board") question in the above-referenced case.

The Hearing Officer's Order directed the parties to provide a response "to the question of the estimated time frame of the resolution of this appeal...." The parties state that they are collaboratively working toward the goal of the Illinois Environmental Protection Agency issuing modifications by the end of this year to the Clean Air Act Permitting Program ("CAAPP") permit for the Southern Illinois Power Cooperative facility at issue in this appeal. Petitioner anticipates that, shortly after issuance of the permit modifications and expiration of any permit challenge periods, it will move to voluntarily dismiss the appeal.

The parties continue to work diligently to resolve this complex permit appeal and to achieve the common goal of an effective, up-to-date operating permit for this facility, and will continue to participate in periodic status conferences with the Board Hearing Officer.

Respectfully submitted,
