HEARING OFFICER ORDER

On March 24, 2016, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it forwarded the results of the most recent testing to the Illinois Environmental Protection Agency (Agency). Petitioner stated that the Agency needs further discussion regarding the test report. The petitioner remains optimistic that a federally enforceable state operating permit it is seeking will eventually be issued.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including October 4, 2016. To that end, it was agreed that the record in this appeal is now due on or before July 8, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 23, 2016, at 11:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink, reading "Bradley P. Halloran", is written over a solid horizontal line.
