ORIGINAL

HEARING OFFICER ORDER

On April 7, 2016, a telephonic status conference was held. Waste Management of Illinois (WMII) did not appear. Petitioner stated that it and Will County and the Will County Board (Will County) have resolved their discovery issues. The parties agreed that Will County must answer petitioner's propounded discovery on or before April 28, 2016. It was also agreed that depositions will be completed on or before May 30, 2016.

Another telephonic status conference has been scheduled to address the discovery status of the petitioner and WMII as noted below. To that end, the timeline for discovery and responses will be held in abeyance as to WMII and will be discussed at the next telephonic status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 12, 2016, at at 1:30 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing
