**HEARING OFFICER ORDER**

On April 26, 2016, petitioner participated in a telephone status call with the hearing officer. Respondent did not appear. The parties have reached agreements on several issues since the last status call. However, discussions have focused on the facility as it existed in 2003. Since then, the facility has had approximately ten new construction permits, and there have been updates to federal rules. Petitioner would like the permit to reflect these changes; thus, a draft for public notice may be delayed to incorporate the updates.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on July 26, 2016. Petitioner shall initiate the call or circulate a conference call-in number.

The parties have consented to electronic service, and petitioner has filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
