HEARING OFFICER ORDER

On April 21, 2016, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it has recently received Midwest Gen's study plan and is reviewing it to discern what impact, if any, it will have. To that end, it was agreed that the respondent's recommendation must be filed on or before July 15, 2016.

Petitioner stated that it will file an additional waiver of the statutory decision deadline to and including October 6, 2016.

If not done so already, I request that the parties submit their respective e-mail address to me or the Board's Clerk and their consent to serve them with my orders electronically.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 30, 2016, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
