**HEARING OFFICER ORDER**

On June 1, 2016, all parties participated in a telephonic status conference with the hearing officer. The Illinois Environmental Protection Agency (Agency) reported that the United States Environmental Protection Agency has reviewed the draft permits and returned to the Agency for issuance. The Agency is hopeful the permits will be issued prior to the next status conference. After issuance of the permits, petitioners anticipate filing a motion to voluntarily dismiss the above matters.

The petitioners stated that they will file additional waivers of the statutory decision deadline to and including October 6, 2016.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 30, 2016, at 9:15 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily

dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
