HEARING OFFICER ORDER

On June 16, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that the Illinois Environmental Protection Agency (Agency) is presently reviewing the latest sampling report completed by the respondent. Due to the most recent sampling, the parties requested that the stay in these proceedings be continued until September 30, 2016. The stay was granted. The parties are hopeful to commence settlement discussions after the Agency's review of the report.

The attorney for the respondent stated that she will submit her consent to be served by e-mail of the hearing officer orders in this matter.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on September 15, 2016, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
