HEARING OFFICER ORDER

On June 30, 2016, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it continues to review Midwest Gen's study plan and is in an attempt to discern what impact, if any, it will have. The petitioner also stated that it is being apprised of the respondent's discussions on this matter as well.

Petitioner stated that it will file an additional waiver of the statutory decision deadline to and including December 15, 2016.

By agreement, respondent's recommendation is now due to be filed on or before October 7, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 8, 2016, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
