**HEARING OFFICER ORDER**

ORIGINAL

On July 7, 2016, all parties participated in a telephonic status conference with the hearing officer. Congress Development Company (CDC) stated that it has decided to take two more quarters of data from the existing wells and submit them to the Illinois Environmental Protection Agency (Agency) for review. CDC opines that the additional samples will allow it to file a significant permit modification permit with the Agency and eventually result in CDC's motion to voluntarily dismiss this appeal.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including January 26, 2017.

The parties are encouraged to consent to receive e-mail service of my orders. Consent may be e-mailed and need only include a name, e-mail address and reference to this docket number.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on October 6, 2016, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
