ORDER OF THE BOARD (by G.M. Keenan):

On July 15, 2015, the Wabash Valley Power Association petitioned the Board for review of certain conditions in a Clean Air Act Program Permit (CAAPP). The Illinois Environmental Protection Agency issued the permit to the Association's landfill-gas-to-energy facility at the Clinton Landfill on Route 51 South, Clinton, DeWitt County. On June 22, 2016, the Association filed a motion to voluntarily dismiss its appeal. The Board grants the Association's motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 7, 2016 by a vote of 5-0.
