PC#23

I have made all of the suggested corrections and revisions cited in your e-mail below, with the following exceptions:

721.104(a)(27)(F)(v): The format "Subparts . . . of this Part" is standard for a cross-reference within a Part. The Board does not see potential for confusion that federal provisions are intended.

721.296(b), (d), etc.: The Board retained the ending period for the topical subheadings at this time.

In addition to the change from "Section 5.0 to" to "Section 5.0 of" in Section 721.986(e)(2)(A), I corrected a similar occurrence in Section 721.986(i)(1). (I made the same revision in 35 Ill. Adm. Code 724.982(c)(5)(C), 724.986(e)(2)(A), 725.983(e)(5)(C), 725.985(i)(1) & 725.987(e)(2), which are the subject of other e-mails.)

I, too, continue with 35 Ill. Adm. Code 724. You had nothing on 35 Ill. Adm. Code 702 and 722? I do not see them among the six e-mails that you sent me.

I have attached the notice and Code texts of Part 721 as corrected for you to review to ensue I have captured all you have suggested, should you wish to do so.

John T.: Please add this e-mail exchange to docket RI6-7 as a public comment. I will submit a revised IIS-RA (F) at the conclusion of this corrections process.

Subject: 35 IAC 721

I apologize for the delay in getting this to you.

Here's my current list:

721.102(b): The "b)" header contains an opening parenthesis.

721.102(b)(2): Should you strike the "or"?

721.104(a)(16): Two things: (a) Check spelling of "regulations". (b) Did you intend to change "This subsection (a)(16) corresponds..." to "This subsection corresponds"?

721.104(a)(24)(A): There is an extra closing parenthesis.

721.104(a)(27)(F)(ii): Why are you replacing the closing semicolon with a period?

721.104(a)(27)(F)(v), last few lines: Without the reference to Part 721, is it clear that Subparts AA through CC refer to this Part and not one of the CFR parts?

721.104(b)(4)(B)(viii): Why are you changing (b)(4)(B)(i) to (b)(4)(B)(I)?

721.293(d)(1)(B): Why is this paragraph ended with a period rather than a semicolon?

721.296(b), (d), and elsewhere in rulemaking: Would it be possible to remove the final period from subsection headers that are only sentence fragments rather than full sentences/paragraphs?

721.296(d)(3)(C): Why is this paragraph ended with a period rather than a semicolon?

721.932(a)(1): Why is this paragraph ended with ", or" rather than "; or"?

721.964(k): Should "applicability Section" be "applicable Sections"?

721.981, "Volatile organic concentration" → Should "mole-fraction-in the liquid-phase" be "mole-fraction-in-the-liquid-phase"?

721.983(a)(3)(d)(ii), penultimate line: are you missing a space before "atmospheres"?

721.984(f)(1)(B)(ii), 4th line: "secondary seal must not exceed cm²" → Should 21.2 be reinstated after "exceed"?

721.986(e)(2)(A): Why "Section 5.0 to" rather than "Section 5.0 of"?

722 et seq. will follow (no pun intended) as quickly as I can send them...

Thanks for your patience.
