HEARING OFFICER ORDER

On August 15, 2016, the parties participated in a telephone status conference with the hearing officer. On August 2, 2016, respondent filed a motion for production of documents. Complainant is preparing the documents, and hopes to submit them to respondent within the next 30 days. Since the fans operate only during the fall harvest season, complainant should know by the next status call whether respondent's noise abatement efforts have been successful.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on October 17, 2016. The status conference shall be initiated by the complainant.

The parties have authorized electronic service.

IT IS SO ORDERED.
