HEARING OFFICER ORDER

ORIGINAL

On September 8, 2016, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it continues to review Midwest Gen's study plan, including accessing upstream discharger and changes at the facility to discern how it affects its need for relief.

Petitioner stated that it will file an additional waiver of the statutory decision deadline to and including March 2, 2017.

By agreement, respondent's recommendation is now due to be filed on or before December 1, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 17, 2016, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
