HEARING OFFICER ORDER

On September 15, 2016, all parties participated in a telephonic status conference. The parties stated that the respondent continues to discuss with the petitioner the draft permit for the related PCB 9-95 appeal and are hopeful that draft will be completed soon. Once the permit in PCB 9-95 is completed, it will be used as a model for this appeal. It was agreed that the record in this matter is now due on December 15, 2016, but may be revisited at the next status conference.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including March 2, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 16, 2016, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
