ORDER OF THE BOARD (by J.D. O’Leary):

On November 27, 2013, AmerenEnergy Resources Generating Company filed a petition asking the Board to review a disapproval of its request for a Beneficial Use Determination, pursuant to Section 3.135(b) of the Illinois Environmental Protection Act (415 ILCS 5/3.135(b) (2014)). On August 7, 2014, the Board granted an unopposed motion to substitute AmerenEnergy Medina Valley Cogen, LLC (Medina Valley) as petitioner. On September 13, 2016, Medina Valley filed an unopposed motion to dismiss this permit appeal. The motion states that, in a related enforcement case, the Board has accepted the parties’ proposed settlement, which resolves the issues raised in this appeal. *See People v. AmerenEnergy Res. Generating Co.*, PCB 13-41 (Aug. 25, 2016). The Board grants the motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on September 22, 2016, by a vote of 4-0.
