HEARING OFFICER ORDER

On October 6, 2016, all parties participated in a telephonic status conference with the hearing officer. Congress Development Company (CDC) stated that it has taken an additional sampling since the last status conference with promising results. The petitioner intends to take one more sampling from the existing wells and submit them to the Illinois Environmental Protection Agency (Agency) for review. CDC is hopeful that the additional sample will allow it to file a significant permit modification permit with the Agency and eventually result in CDC's motion to voluntarily dismiss this appeal.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including April 20, 2017.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on January 19, 2017, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
