MOTION FOR RELIEF FROM BOARD RECORD RULES

The Illinois EPA is filing a record today that was compiled in 2005. While the Illinois EPA made every attempt to comply with the Board's new rules on record filing, by scanning the record and making it searchable, it could not get the person who compiled the record to certify the record due to the person being deceased.

Wherefore, the Illinois EPA asks for relief from the current Board filing rules under the above circumstances.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,
Respondent
