**HEARING OFFICER ORDER**

On November 30, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they have had continuous discussions since the last status conference. The petitioner expects to have additional information as to whether a resolution is feasible by the next status conference.

On December 5, 2016, petitioner filed a waiver of the statutory decision deadline and a motion to stay the proceedings. Petitioner requests that the Board stay the proceedings, including all deadlines and required filings, pending further order from the Board, to and including June 7, 2017. Petitioner states that respondent does not object to the motion to stay. On December 7, 2016, the parties filed a joint status report. The report states that the parties are actively engaged in discussions and hope to reach a resolution in this matter by the next status conference.

The motion to stay is granted, to and including June 7, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 23, 2017, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
