HEARING OFFICER ORDER

On January 26, 2017, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that the parties continue to exchange information with Midwest Generation regarding thermal plume models and water quality. The parties again noted that recent legislation is anticipated to be signed by the Governor shortly that will change the trajectory of future variances.

Petitioner stated that it will file an additional waiver of the statutory decision deadline to and including June 15, 2017.

To that end, respondent's recommendation is now due to be filed on or before April 3, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 2, 2017, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
