HEARING OFFICER ORDER

On February 23, 2017, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that the parties have had discussions since the last status conference and that it is at present evaluating a design for a water treatment plant. Once review is completed, it will have further discussions with the respondent.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 27, 2017, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
