My name is Bryan Bruce I live at 2186 - Dillinger Rd. Carbondale, IL 62901, I'm writing to ASK for an extension on the timeline to clean up the property I realize it is an eyesore I've already been working on it after work in the evenings, & on weekend when it's not pouring RAIN. I'm asking to rescind the fine, please, I work long hours at Burris Garbage Co, Carbondale, IL. My wife works 3 jobs just so we make ends meet.

This property isn't used for public dumping. I did have container hauled in to put stuff in to help me clean up. I'm making trips to cimco recycling to get rid of excess, so please I'm begging for a little extra time.

Thank you

Very much.
Bryan Bruce
