HEARING OFFICER ORDER

On April 19, 2017, the parties participated in a telephone status conference with the hearing officer. As previously reported, respondent has drafted a portion of the proposed permit, and in January, petitioner submitted comments on this partial draft. Yesterday, respondent responded to some of petitioner's comments, but does not know when the remaining responses will be prepared. Additionally, respondent does not know when draft permit language will be proposed for the most complex portion of the permit.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on August 1, 2017. Petitioner will circulate a conference call-in number.

The parties have consented to electronic service, and petitioner has filed an open waiver of the decision deadline.

IT IS SO ORDERED.
