**HEARING OFFICER ORDER**

On May 11, 2017, all parties participated in a telephonic status conference with the hearing officer. Congress Development Company stated that it filed a supplement to the pending significant permit modification draft permit with the Agency but that the Agency recently issued a denial of the significant permit modification. The parties will meet in the near future to discuss what additional conditions would be needed to file an amended permit application.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including October 19, 2017.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on July 11, 2017, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink that reads "Bradley P. Halloran". The signature is written in a cursive style and is positioned above a solid horizontal line.
