HEARING OFFICER ORDER

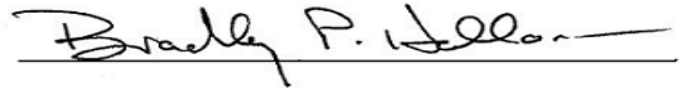

On June 6, 2017, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it has had meetings and discussions with the respondent since the last status conference. At present, it is drafting a new operating and construction permit and will be forwarded to the respondent upon completion.

On June 6, 2017, the petitioner filed an additional waiver of the statutory decision deadline to and including December 21, 2017. Due to on-going settlement negotiations, the petitioner also filed a motion to stay proceedings, including all deadlines and required filings, pending further order from the Board to and including August 22, 2017. The respondent has no objection. At the status conference, however, respondent indicated that if there is no resolve by the next status conference, a hearing may need to be scheduled.

Petitioner's motion to stay is granted to and including August 22, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 22, 2017, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
