ORDER OF THE BOARD (by K. Papadimitriu):

On March 2, 2017, at the parties' request, the Board extended until May 22, 2017, the time period for Modern Drop Forge Company, LLC (Modern) to appeal a January 13, 2017 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2016); 35 Ill. Adm. Code 105.406. The determination concerns Modern's underground storage tank (UST) site located at 13810 South Western Avenue in Blue Island, Cook County. The Agency determined that it could not approve billings for site investigation activities without an approved budget. Because Modern failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on June 8, 2017, by a vote of 5-0.
