ORDER OF THE BOARD (by C.M. Santos):

On June 30, 2017, Knapp Oil Company (Knapp) timely filed a petition asking the Board to review a May 23, 2017 determination of the Illinois Environmental Protection Agency (IEPA). *See* 415 ILCS 5/40(a)(1) (2016); 35 Ill. Adm. Code 101.300(b), 105.402, 105.404, 105.406. IEPA's determination concerns Knapp's leaking underground storage tank (UST) site located at 1117 East 5th Street in Metropolis, Massac County. For the reasons below, the Board accepts Knapp's petition for hearing.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2016)), IEPA decides whether to approve proposed cleanup plans and budgets for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If IEPA disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2016); 35 Ill. Adm. Code 105.Subpart D. In this case, IEPA approved Knapp's Stage 2 site investigation plan but modified the corresponding budget. Knapp appeals on the grounds that its proposed budget is consistent with Board precedents and regulations and includes all required information. Knapp also argues that IEPA's determination does not identify the supporting documentation allegedly required or the authority that would require it. Knapp's petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the petition for hearing. Knapp has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before IEPA at the time IEPA issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge IEPA's reasons for its decision, information developed after IEPA's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom.* Community Landfill Co. & City of Morris v. PCB & IEPA, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Upon its own motion or the motion of any party, the Board or the hearing officer may order that the hearing be held by videoconference. In deciding whether to hold the hearing by videoconference, factors that the Board or the hearing officer will consider include cost-effectiveness, efficiency, facility accommodations, witness availability, public interest, the parties' preferences, and the proceeding's complexity and contentiousness. *See* 35 Ill. Adm. Code 101.600(b), 105.110.

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2016)), which only Knapp may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, Knapp may deem its request granted. *See* 415 ILCS 5/40(a)(2) (2016). Currently, the decision deadline is October 30, 2017, which is the first business day following the 120th day after the date on which the Board received the petition, June 30, 2017. *See* 35 Ill. Adm. Code 101.300(a), 105.114. The Board meeting immediately before the decision deadline is scheduled for October 19, 2017.

Unless the Board or the hearing officer orders otherwise, IEPA must file the entire record of its determination by July 31, 2017, which is the 30th day after the date on which the Board received Knapp's petition. *See* 35 Ill. Adm. Code 105.116(a), 105.410(a). If IEPA wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116(a). The record must comply with the Board's requirements for content, organization, and certification. *See* 35 Ill. Adm. Code 101.1030(g), 105.116(b), 105.410(b). In addition, IEPA must file the record electronically instead of in paper. Specifically, the record must be filed through the Clerk's Office On-Line (COOL) or on compact disk or other portable electronic data storage device and, to the extent technically feasible, in text-searchable Adobe PDF. *See* 35 Ill. Adm. Code 101.302(h)(2)(A), 105.116(a).¹

IT IS SO ORDERED.

Member Carter abstained.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 6, 2017, by a vote of 4-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
