

DEAR CHAIRMAN PAPADIMITRIU,

MY COMMENT ON THE MATTER: PEOPLE OF THE
STATE OF ILLINOIS V J.B. TIMMERMAN FARMS LTD AN ILLINOIS
CORPORATION PCB 1779

- THE FINE IS TOO LARGE WHEN COMPARED TO WHAT OTHER CASES HAVE BEEN CHARGED WITH DELIBERATE AND INTENTIONAL DISCHARGES
- THE FINE IS INSIGNIFICANT TO THE AMOUNT OF TIME J.B. TIMMERMAN FARMS SPENT TO COME TO THIS SETTLEMENT VS WHAT WAS SPENT ON THEIR ATTORNEY FEES AND UPGRADES TO THEIR FACILITY.
- NO PROVISION IN SETTLEMENT THAT IEPA WOULD STOP ANY ACTION IF THEY ALLEGE CONTEMPT.
- LASTLY IF POLLUTION IS OF A CONCERN WHY IS THE FACILITY AT 8115 HIGHLINE RD EXEMPT OF DISCHARGES OR ACTION. AT THE INTERSECTION OF HIGHLINE RD + DRIVE IN ROAD, WATER DARK IN COLOR AND SETTLED SOLIDS APPEARED IN THE CREEK AS OF 7-8-2017

SINCERELY
MICHAEL RICHTER
