ORDER OF THE BOARD (by K. Papadimitriou):

On September 3, 2015, Electric Energy, Inc. (Electric) timely filed a petition asking the Board to review a July 30, 2015 permit determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2016); 35 Ill. Adm. Code 101.300(b), 105.206. In that determination, the Agency issued a revised National Pollutant Discharge Elimination System (NPDES) Permit No. IL0004171 with conditions. The permit concerns Electric's coal-fired steam electric generating plant at 2100 Portland Road, Joppa, Massac County.

On August 14, 2017, Electric filed a motion to voluntarily dismiss this appeal. The motion states that on July 26, 2017, the Agency issued a modified version of the NPDES Permit that incorporates agreement of the parties and addresses the issues raised in the appeal. Mot. at 1.

The Board grants Electric's motion for voluntary dismissal, dismisses the appeals, and closes this docket.

IT IS SO ORDERED.

Board Members C.M. Santos and B.K. Carter abstained.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 17, 2017, by a vote of 5-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
