)	(Permit Appeal – Air)
ILLINOIS ENVIRONMENTAL)	
PROTECTION AGENCY,)	
)	
Respondent.)	

ORDER OF THE BOARD (by G.M. Keenan):

On December 29, 2017, Dynegy Midwest Generation, LLC filed a motion to voluntarily dismiss this appeal concerning a May 29, 2007 determination of the Illinois Environmental Protection Agency. The Agency issued a construction permit for the installation of a baghouse, sorbent injection system, and induced draft fans at Dynegy's Hennepin Power Station at 13498 East 800 Street in Hennepin, Bureau County. Dynegy also requests that the Board order each party to bear its own costs and fees for this permit appeal.

Dynegy reports that the Agency does not object to the motion. The Board grants Dynegy's motion for voluntary dismissal, dismisses the appeal, and closes the docket. The Board also orders each party to bear its own costs and fees for this permit appeal.

IT IS SO ORDERED.

Member Carter abstained.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 11, 2018, by a vote of 4-0.

Don A. Brown, Clerk
Illinois Pollution Control Board.
