Dear IL Pollution Control Board Assistant Clerk,

Dear Ms. Tip sort and Mr. Powell:

I strongly urge you to oppose the Illinois Environmental Protection Agency's and Dynegey's proposal to amend the Multi Pollutant Standard (MPS).

If the MPS is amended, Dynegey will have the option to put 2 times the amount of pollution allowed to currently be put into the air. That pollution will NOT be good for those with pulmonary disease nor for our children, seniors and disabled.

Sincerely,

Kathleen Drury
