**ILLINOIS ATTORNEY GENERAL’S NOTICE OF SCREENING**

To: ALL PERSONS ON THE ATTACHED CERTIFICATE OF SERVICE

In conformance with the requirements of Rule 101.112(b) of the Illinois Pollution Control Board Rules, 35 Ill. Adm. Code 101.112(b), Rule 1.12 of the Illinois Rules of Professional Conduct, and the Illinois Pollution Control Board’s October 16, 2003 order in *People v. Skokie Valley Asphalt Co., Inc., et al.*, PCB 96-98, notice is hereby given that on August 1, 2018, Jason James began working as a Special Assistant Attorney General (“SPAAG”) for the Office of the Illinois Attorney General (“AGO”) in the Environmental Enforcement Division in Chicago.

Prior to joining the AGO, during the period beginning June 2015 and continuing through July 13, 2018, SPAAG James worked as an Attorney-Advisor to Board Members on the Illinois Pollution Control Board (“Board”). SPAAG James resigned from the Board effective July 13, 2018. From June 2015 through July 13, 2018, SPAAG James was an employee of the Board.

Because of SPAAG James’ former duties as an Attorney-Advisor to Board Members, and as an employee of the Board, the management of the Environmental Enforcement Division has required SPAAG James to adhere to certain screening protocols that prohibit him from: 1)

participating as a SPAAG in any enforcement or permit appeal matter in which the AGO is a party or represents a party, that was pending before the Board as of the date SPAAG James began employment with the AGO; 2) participating as a SPAAG in any matter in which the AGO was a party, represented a party, or otherwise participated, including any regulatory proceedings, during the period SPAAG James was employed by the Board, including any of these matters which were closed on the Board's docket as of the date SPAAG James began employment with the AGO; 3) discussing with anyone employed by the AGO, including the Environmental Enforcement Division or its Environmental Bureau North or Environmental Bureau South, any of the matters described in 1) and 2) above; and 4) accessing any files or information maintained by the Environmental Enforcement Division or its Environmental Bureau North or Environmental Bureau South related to any of the matters described in 1) and 2) above.

Respectfully Submitted,
