ORDER OF THE BOARD (by K. Papadimitriu):

On August 6, 2018, The Premcor Refining Group Inc. (Premcor) filed a motion to voluntarily dismiss this appeal (Mot.). The appeal concerns the September 10, 2003 determination of the Illinois Environmental Protection Agency (Agency). The Agency rejected a request to modify the approved Resource Conservation and Recovery Act (“RCRA”) closure plans for two Premcor’s former hazardous waste management units – a dissolved air flotation unit and a roll-off box container storage area - at Premcor’s petroleum refinery in Hartford, Madison County.

Premcor’s motion states that on July 26, 2018, Madison County Circuit Court issued an order granting Premcor’s Motion for Good Faith Finding in a related case People v. The Premcor Refining Group Inc., et al., 03-CH-0459, and entered the companion Consent Order between Premcor and the State of Illinois. Mot. at 1. Section VII.B.1. of the Consent Order, requires Premcor to voluntarily dismissing this proceeding. *Id.* The motion notes that Premcor’s counsel contacted the Agency and the Agency had no objections to the motion. *Id.* at 2. The Agency did not file objections against granting the motion. The Board grants the motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 23, 2018, by a vote of 5-0.
