RE: Docket 18-20

Dear Hearing Officer Tipsord,

Earlier this year several members of my caucus, business groups, trade groups, and labor unions expressed support for the Illinois Environmental Protection Agency's proposal to revise the Multi-Pollutant Standards. While the deadline for public comments was June 15, 2018, I am aware that the Board has not yet taken action on IEPA's proposal, including during its recent meeting on September 6, 2018. I encourage the Board to include the matter on its agenda and give second notice to JCAR during its next scheduled meeting on September 20, 2018.

In accordance with the ethical principles outlined in Article 3, Part 2 of the Illinois Governmental Ethics Act, I have reviewed this and determined that it's in the public interest. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Bill Brady".
