Marie Tipsord
Illinois Pollution Control Board
100 W. Randolph Suite 11-500
Chicago, Illinois 60601

Dear Hearing Officer Tipsord:

Vistra expressed its support and need for the Illinois Environmental Protection Agency's proposal to revise the Multi-Pollutant Standards, R2018-20. While the deadline for public comment has closed, Vistra is concerned whether the Board will be in a position to meet the November 2, 2018 deadline. As explained during the numerous hearings, the Agency's proposal will remove a number of financial and operational challenges the company faces in Illinois.

Timely action is needed to provide the regulatory certainty necessary to make investment decisions. We encourage the Board to take action during the September 20, 2018 meeting.

Signed

Josh More (counsel for Vistra)
