RE: Docket 18-20

Dear Hearing Officer Tipsord,

Earlier this year several members of my caucus, business groups, trade groups, and labor unions expressed support for the Illinois Environmental Protection Agency's proposal to revise the Multi-Pollutant Standards. While the deadline for public comments was June 15, 2018, I am aware that the Board has not yet acted on IEPA's proposal, including during its recent meeting on September 6, 2018.

On behalf of my caucus and myself, I encourage the Board to include the matter on its agenda and give second notice to JCAR during its next scheduled meeting on September 20, 2018.]

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "C.D. Davidsmeyer".
