RE: Docket 18-20

Dear Hearing Officer Tipsord,

I wrote the Board earlier this year to express my support for the Illinois Environmental Protection Agency's proposal to revise the Multi-Pollutant Standards. While the deadline for public comments was June 15, 2018, I am aware that the Board has not yet taken action on IEPA's proposal, including during its recent meeting on September 6, 2018. I encourage the Board to include the matter on its agenda and give second notice to JCAR during its next scheduled meeting on September 20, 2018.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Norine K. Hammond".
