ORDER OF THE BOARD (by U. Choe):

On September 24, 2018, John D. Warsaw (Warsaw) timely filed an amended petition, pursuant to a September 20, 2018 Board order. Warsaw's amended petition asks the Board to review a June 12, 2018 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2016); 35 Ill. Adm. Code 101.300(b), 105.402, 105.404. The Agency's determination concerns Warsaw's leaking underground storage tank (UST) site located at Warsaw Itco./Rt. 122 in Tazewell County. For the reasons below, the Board accepts Warsaw's amended petition for hearing.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2016)), the Agency decides whether to approve proposed cleanup plans and budgets for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If the Agency disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2016); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency partially denied petitioner's request for reimbursement from the UST Fund. Warsaw appeals on the grounds that re-blacktopping the area which was remediated is an in-kind, replacement matter, and required as part of the remedial activities. Warsaw's amended petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the amended petition for hearing. Warsaw has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge the Agency's reasons for its decision, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom. Community Landfill Co. & City of Morris v. PCB & IEPA*, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Upon its own motion or the motion of any party, the Board or the hearing officer may order that the hearing be held by videoconference. In deciding whether to hold the hearing by videoconference, factors that the Board or the hearing officer will consider include cost-effectiveness, efficiency, facility accommodations, witness availability, public interest, the parties' preferences, and the proceeding's complexity and contentiousness. *See* 35 Ill. Adm. Code 101.600(b), 105.110.

The Board notes that Warsaw filed a waiver of decision deadline on July 30, 2018, and the Board accepted the waiver in its September 20, 2018 order. Thus, the decision deadline did not reset when Warsaw filed his amended petition.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by November 5, 2018, which is the 30th day after the entry of this order. If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116(a). The record must comply with the Board's requirements for content, organization, and certification. *See* 35 Ill. Adm. Code 101.1030(g), 105.116(b), 105.410(b). In addition, the Agency must file the record electronically. Specifically, the record must be filed through the Clerk's Office On-Line (COOL) or on compact disk or other portable electronic data storage device and, to the extent technically feasible, in text-searchable Adobe PDF. *See* 35 Ill. Adm. Code 101.302(h)(2)(A), 105.116(a).<sup>1</sup>

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 4, 2018, by a vote of 5-0.
