**HEARING OFFICER ORDER**

On January 23, 2019, the Board held the first hearing in this proceeding. During the hearing, Huff & Huff, Inc. responded to pre-filed and follow up questions of the Board and other participants. Huff & Huff expressed the intent to substantially revise and modify its proposed rulemaking. In addition, Huff & Huff committed to providing additional documents requested in pre-filed questions that were not provided at hearing. At hearing, Huff & Huff expressed that it could have all materials and new proposal ready in approximately a month. Without draft language of Huff & Huff's modified proposal and full answers to the questions already raised at the first hearing, the second hearing, currently scheduled for March 6th, would be unproductive.

To provide Huff & Huff time, and for the efficiency of the proceeding, the hearing officer and hearing participants agreed to reschedule the second hearing in this proceeding until after Huff & Huff submits its modified proposal and unanswered responses to pre-filed questions in the first hearing. The second hearing scheduled for March 6, 2019 is therefore canceled.

A prehearing conference is scheduled for February 28, 2019, at 2:00 p.m. All interested participants may attend. The prehearing conference will be used to check on the status of Huff & Huff's filings or, if they are filed, establish hearing locations and dates, potential deadlines for pre-filing of testimony and questions, as well as any other procedural issues the participants raise.

The hearing officer will be in Chicago. Participants may attend by going in person to the Board's Chicago or Springfield office or by calling 1-888-494-4032 and entering the pass code 7139237824#.

IT IS SO ORDERED.
