**HEARING OFFICER ORDER**

On February 13, 2019, all parties participated in a telephonic status conference with the hearing officer. The respondent’s attorney stated that a groundwater monitoring proposal will be submitted to the Illinois Environmental Protection Agency for its review by the end of this month.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 30, 2019, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
