ORDER OF THE BOARD (by B.K. Carter):

On October 29, 2014, Aurora Generation, LLC (Aurora), f/k/a NRG Wholesale Generation LP, petitioned the Board for review of certain conditions in a Clean Air Act Program Permit (CAAPP). The Illinois Environmental Protection Agency (Agency) issued the permit for Aurora's generating station located at 2909 North Eola Road in Aurora, DuPage County. On January 16, 2019, Aurora filed a motion to voluntarily dismiss its appeal. In its motion, Aurora stated that the parties have resolved the issues raised in its petition, and the Agency issued a revised permit. The Board grants Aurora's motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 14, 2019, by a vote of 5-0.
