ORDER OF THE BOARD (by E.Z. Kezelis):

This matter was referred to the Board by the hearing officer for consideration of complainants' request to dismiss Anna Kozarzewski and Mildred Owen from the list of complainants in this matter and to assess the status of service of the complaint on all respondents.

On July 1, 1999, the hearing officer engaged in a telephonic conference with Marcella Graf, the designated "lead" complainant, to determine whether all listed complainants intended to pursue this enforcement action against respondents and to assess the progress made by complainants in achieving service of the complaint on all respondents. At that time, the complainants requested the removal of two complainants, Anna Kozarzewski and Mildred Owen, from this matter. As the complainants are *pro se*, the Board will deem this request as a motion to dismiss Anna Kozarzewski and Mildred Owen from this matter. The Board grants the motion to dismiss Anna Kozarzewski and Mildred Owen as complainants.

The status of complainants' service of the complaint on respondent, Valiquet, Inc. (Valiquet) was also discussed during the status conference. To date, complainants have not successfully achieved service of the complaint on Valiquet. The Board orders complainants to perfect service of the complaint on Valiquet, within 30 days of the date of this order. If complainants are unable to achieve service of the complaint on Valiquet within 30 days of the date of this order, the Board may dismiss Valiquet without prejudice. All future Board and hearing officer orders shall reflect today's order of the Board by removing complainants, Anna Kozarzewski and Mildred Owen, from the caption.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of July 1999 by a vote of 5-0.
