CONCURRING OPINION (by J. Marlin):

I concur with the Board's Order and Opinion in this matter.

I agree with the Order and the finding regarding criterion #1.

I am concerned that the Opinion not be interpreted as agreeing that a County is unlimited in its authority to establish procedures for hearing landfill applications. The trend in this area is toward ever more detailed and complex procedures and applications.

John C. Marlin
Member of the Board

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Concurring Opinion was submitted on the 28th day of December, 1987.

Dorothy M. Gunn, Clerk
